

1570 SERIES STANDARD BASKET SCREENS

FEATURES:

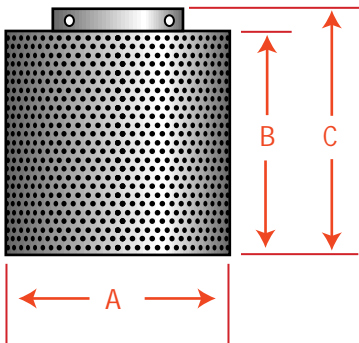

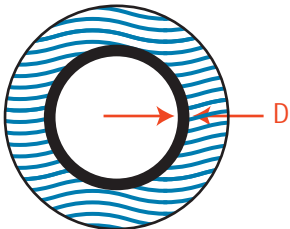

- SCREEN - 10 Gauge Perforated Carbon Steel with 1/4" or 1/2" perforations
- Have an open area 5 times the area of the pipe size.
- COLLAR - 5/16" Thick Carbon Steel Collar welded into top of basket
- GALVANIZING - After welding, the completed unit is Hot Dipped Galvanized conforming to ASTM 123 specifications.

NOTE: Add an "X" to the end of the Part Number to indicate 1/2" Perforation. Overall length may vary + or - 1/2"
